

## Commodity Credit Corporation, USDA

## § 1465.21

(3) The land is Indian land.

[74 FR 64595, Dec. 8, 2009, as amended at 76 FR 19684, Apr. 8, 2011]

### § 1465.6 AMA plan of operations.

(a) All conservation practices in the APO must be approved by NRCS and developed and carried out in accordance with the applicable NRCS technical guidance.

(b) The participant is responsible for implementing the APO.

(c) The APO must include:

(1) A description of the participant's specific conservation and environmental objectives to be achieved;

(2) To the extent practicable, the quantitative or qualitative goals for achieving the participant's conservation and environmental objectives;

(3) A description of one or more conservation practices in the conservation system, including conservation planning, design, or installation activities to be implemented to achieve the conservation and environmental objectives;

(4) A description of the schedule for implementing the conservation practices, including timing, sequence, operation, and maintenance; and

(5) Information that will enable evaluation of the effectiveness of the plan in achieving the environmental objectives.

(d) An APO may be modified in accordance with §1465.24.

### § 1465.7 Conservation practices.

(a) The State Conservationist will determine the conservation practices eligible for AMA payments. To be considered eligible conservation practices, the practices must meet the purposes of the AMA as set out in §1465.1. A list of eligible practices will be available to the public.

(b) The APO includes the schedule of operations, activities, and payment rates of the practices needed to solve identified natural resource concerns.

### § 1465.8 Technical services provided by qualified personnel not affiliated with USDA.

(a) NRCS may use the services of qualified TSPs in performing its responsibilities for technical assistance.

(b) Participants may use technical services from qualified personnel of other Federal, State, local agencies, Indian Tribes, or individuals who are certified as TSPs by NRCS.

(c) Technical services provided by qualified personnel not affiliated with USDA may include, but are not limited to: conservation planning; conservation practice survey, layout, design, installation, and certification; and information, education, and training for producers, and related technical services as defined in 7 CFR part 652.

(d) NRCS retains approval authority of work done by non-NRCS personnel for the purpose of approving AMA payments.

## Subpart B—Contracts

### § 1465.20 Applications for participation and selecting applications for contracting.

(a) Any producer who has eligible land may submit an application for participation in AMA at a USDA service center. Producers who are members of a joint operation will file a single application for the joint operation.

(b) NRCS will accept applications throughout the year. The State Conservationist will distribute information on the availability of assistance, national priorities, and the State-specific goals. Information will be provided that explains the process to request assistance.

(c) The State Conservationist will develop ranking criteria and a ranking process to select applications, taking into account national, State, Tribal, and local priorities.

(d) The State Conservationist, or designated conservationist, using a locally-led process will evaluate, rank, and select applications for contracting based on the State-developed ranking criteria and ranking process.

(e) The State Conservationist, or designated conservationist, will work with the applicant to collect the information necessary to evaluate the application using the ranking criteria.

### § 1465.21 Contract requirements.

(a) In order for a participant to receive payments, the participant will
